

PUBLIC NOTICE No. 1/2021 FOR THE SELECTION OF THE LOCAL COORDINATOR OF COMPONENT 3 OF THE TAMSALL PROJECT (PILOT ACTIONS) – CUP H55F21000060006

Informest - Service and Documentation Centre for International Economic Cooperation, an association of public bodies with legal personality, established pursuant to art. 2 paragraph 9 of the Law of the State n. 19/91 in order to provide the Friuli Venezia Giulia Region, within the special geopolitical position of its territory as a cross-border region, with the tools that allow it to develop economic cooperation with Eastern European countries, with registered offices and operating in Gorizia, Via Cadorna 36

INFORMS THAT

in execution of the Resolution no. 108 of 29th September 2021, a public selection procedure is launched with comparative curricular evaluation and possible interviews, for the assignment of nr. 1 specialized self-employment contract, in the form of collaboration, for the implementation of specific tasks within the TAMSALL project, to be delivered in Libya.

Background

TAMSALL is a project aimed at reinforcing Libyan administrative decentralization process through supporting local authorities' capacity building and international relations. The project intends to share with 20 Libyan municipalities tools to improve the offer of public services.

TAMSALL will propose the multilevel governance (MLG) approach as a methodology for planning and managing local services, accompanying target municipalities in testing participated, multi-stakeholder and multilevel dynamics for planning and implementing services at local level in four sectors: environmental services, services for young people, services for an improved communication between the municipalities and its citizens, as well as social and health services.

The MLG approach implies the collaboration of different levels of government in the Country, starting from local administrations; the project will thus promote territorial cooperation among target municipalities, and between them and European local administrations.

TAMSALL will build on the experience of the Nicosia Initiative and is co-funded by the European Commission through the European Neighborhood Instrument.

The project will actively involve eight municipalities already part of the Nicosia Initiative (Tripoli, Zintan, Ghariyan, Tobruk, Benghazi, Sabha, Sirte, Zliten) and other twelve Libyan municipalities.

The project structure is based on three Components:

- *Instruments for multilevel governance approach (Component 1)*: covers the assessment and benchmarking of Tripoli, Zintan, Ghariyan, Tobruk, Benghazi, Sabha, Sirte, Zliten and Jabel Nafousa municipalities' capacity of providing services in the four sectors identified in TAMSALL, along with the benchmarking of targeted municipalities against their use of the MLG approach and identification of the group of project beneficiaries among them;

- *Multilevel governance approach for development plans and services delivery (Component 2):* consists of training actions on MLG approach for City Managers, technical and administrative staff from beneficiary municipalities, local branches of national government, universities, and main actors at the territorial level;
- *Pilot actions (Component 3):* concerns the implementation of the results of the capacity building activities, through the development or improvement of a local service in each municipality in one of the four sectors identified in TAMSALL: environmental services, services for young people, services for an improved communication between the municipalities and its citizens, social and health services. A feasibility study for setting up a European Grouping of Territorial Cooperation among Libyan municipalities is foreseen as well.

The implementation of project activities has started on the 1st January 2021 and will last 33 months.

TAMSALL is implemented by a European partnership involving ART-ER (in-house company of Emilia-Romagna Region dedicated to sustainable territorial development - Italy), Informest (development and international economic cooperation agency of Friuli Venezia-Giulia Region - Italy) and EURADA (European Association of Development Agencies - Belgium).

Within the framework of the project, Informest is in charge of coordination of Component 3 and of the identification of the following members of the local team: a) Local coordinator of project component 3, b) Project and communication assistant.
